Dear Mr. Staible:

This letter is to notify you that the Environmental Protection Agency (EPA) in Region VIII will be entering into a Protective Order with a potentially responsible party regarding the Libby Asbestos Site (08-BC). EPA is currently engaged in cost recovery negotiations with this party. I have enclosed a copy of the draft Protective Order with this party. This party will be reviewing financial cost documents that URS has submitted to EPA in the past that contain confidential business information.

This notification letter complies with the Protective Order requirement set forth in 58 FR (Federal Register) # 458 dated January 5, 1993.

If you have any questions regarding this notice, please contact me at 303-312-6393 or Matthew Cohn, Legal Enforcement Program Attorney at (303) 312-6853.

Sincerely,

A handwritten signature in black ink, appearing to read "Kelcey Yarbrough Land".
